03/21/2025	36	ENDORSED LETTER terminating 34 Letter Motion for Conference. ENDORSEMENT: The Court is in receipt of defendant's letter motion requesting that the Court enter on the docket an order confirming that discovery is stayed during the pendency of the motion to dismiss filed in the above-captioned matter, ECF No. 34, and plaintiffs letter response in opposition, ECF No. 35. In my almost forty-five years on the federal bench, I have never had a lawyer from a prominent law firm challenge the efficacy of an oral order. While there are certainly situations for which an oral order is insufficient, this is not one of them. When defendant raised its position that discovery should not commence while the motion to dismiss was pending, I stated in open court: "I agree with that." If counsel sought further clarification, that was the time to seek it. As you are no doubt well aware, discovery stays while potentially dispositive motions are pending in suits between competitors are the rule, not the exception. The Clerk of Court is respectfully directed to close the letter motion pending at ECF No. 34.. (Signed by Judge Naomi Reice Buchwald on 3/21/2025) (sgz) (Entered: 03/24/2025)
